Tecno Malhas

Somos a malharia circular com a maior variedade em pronta entrega do mercado nacional. Fundada em 1987, nos orgulhamos em produzir 100% de nossos artigos em nossa fábrica em São Paulo. Com mais de 60 máquinas circulares e 100 colaboradores diretos, produzimos desde os tecidos básicos aos mais diferenciados. Nosso foco principal é oferecer qualidade com agilidade e preços justos. Estamos empenhados em diminuir o impacto da indústria têxtil no meio ambiente. Nossa linha de produtos ecológicos conta com matérias primas sustentáveis, como o poliéster PET, o algodão desfibrado e o algodão certificado pela BCI (Better Cotton Initiative).
