Tecno Malhas

Com 38 anos de experiência no mercado têxtil, a METATEX consolida-se como referência em qualidade, agilidade e compromisso.

Nossa produção própria garante excelência em todos os produtos, aliando qualidade ao melhor custo-benefício do mercado. Contamos com um parque fabril moderno e dinâmico, capaz de atender às mais diversas demandas, desde tecidos básicos até soluções personalizadas e sofisticadas. Oferecemos um portfólio diversificado, com ampla variedade de cores e artigos disponíveis para Pronta Entrega, sempre com preços altamente competitivos.

Comprometidos com a sustentabilidade, desenvolvemos uma linha de produtos ecológicos, utilizando matérias-primas inovadoras como poliéster PET reciclado e algodão certificado pela Better Cotton Initiative (BCI). Essa iniciativa reforça nosso propósito de contribuir para um futuro mais responsável e sustentável, alinhando inovação e respeito ao meio ambiente.

Na Metatex, unimos tradição, tecnologia e responsabilidade para superar as expectativas de nossos clientes.
